

*Having a great time in the
Rockies. No moose sightings
as yet, but today we're on a
bear hunt!*

Wish you were here.

*Love,
Helen & Mike*

The adventure of a life time. The breath taking views. Staying in an over water bungalow in Moorea. The barn with twin beds, barking dogs & roosters in Bora Bora. Swimming with sharks & sting rays. An off road trip in a jeep leading to a picture perfect view. Our final night in a lush upgraded bungalow. The only thing better... spending it as husband & wife. The adventure is only just beginning. ♡

Dear Alec and Magnus,

It's Izzy. Got your card.
Glad you're having fun.
Nothing's happening here-
Clary's mom is marrying
some werewolf. I think
you guys should get married
too. I'm thinking about
planning it. I love planning
parties.
