Predict

make a smart guess
about what's going to happen

What is happening next?
What is the subject?

I look at the pictures.
I read the title and make a guess.

Clarify

look closer
when something is confusing

What is the meaning of_____?

Circle the words I don't understand.
Look for the definition in the
dictionnary, in my phone,...
Try to understand the word in the
sentence (context).
Try to translate it in my words.

Visualize

imagine a picture
in your mind

What is it?
Who is it?
I associate words with images in my
head.
Imagine a picture in my head. Get a
mental picture.
Draw something on my sheet.
I make a film in my head of the story I
am reading.

	Ask Questions ask questions to learn more	What? When? Where? How? How many? How much? Who?
	Make Connections connect what you're reading to something else	It reminds me of... It's the same thing as.... I remember that... I draw an arrow from a word to a word, from a word to a picture. I try to associate parts of the text with my experience, knowledge, reality.
	Summarize retell what happened in the story	What did I understand? What is important? Resume the text with all the important informations in my words. Underline the most important informations.
